

The Napa County probation Department is collaborating with the Napa County District Attorney's Office to provide a Misdemeanor Deferred Entry of Judgment Program (DEJP). The General Misdemeanor Deferred Entry of Judgment Program is an opportunity for misdemeanor offenders who do not have significant criminal history to maintain a clean record. The offender is assessed using an evidenced based assessment tool and will be assigned a specific number of group counseling sessions provided by the Napa County Probation Department. The group is a "drop in" on Friday afternoons from 2 p.m. to 5 p.m. The group includes cognitive behavior counseling, evidenced based written assignments, and individual and group processing.

Groups meet most Fridays. Please refer to the schedule below:
