Applicant sought for the Napa Valley Transportation Authority Active Transportation Advisory Committee

NAPA – The County Executive Officer announces one opening on the Napa Valley Transportation Authority (NVTA) Active Transportation Advisory Committee (ATAC), representing General Public Napa County. Individuals representing the general public must be active transportation advocates who live or work in the cities/town or Napa County. The Board of Supervisors nominate individuals to represent the unincorporated area with final appointments made by the Napa Valley Transportation Authority Board. Terms are for three years from the date of NVTA Board approval, typically one month following the Board of Supervisors nomination. The ATAC advises the NVTA on the development of active transportation facilities, including bicycle and pedestrian facilities as alternative modes of transportation. The ATAC review process ensures that Active Transportation projects within the cities/town and Napa County promote and encourage bicycle use for commute, shopping, and personal trips; promote and encourage walking; reduce motor vehicle trips; reduce motor vehicle miles traveled; reduce motor vehicle congestion; and promote air quality. The committee meets on the 4th Monday of each month at 5:00 p.m. in the NVTA Conference Room, 625 Burnell Street, Napa; telephone (707) 259-8631.

Anyone interested in consideration for appointment must submit a completed application form available at the County Executive Office, 1195 Third Street, Suite 310, Napa, CA 94559, telephone (707) 253-4421 or online at www.countyofnapa.org/ceo/committeesandcommissions. Click on “application for appointment” under the “Current Openings” heading and follow the application instructions.

Recruitment will remain open until the vacancy is filled.

###

The Board of Supervisors and staff of Napa County are dedicated to preserving and sustaining Napa County for present and future generations as a community with generous open space, a thriving agricultural industry and a quality human and natural environment.
