

NAPA COUNTY NEEDS YOU!!

The 2016 California Voter Choice Act is bringing important voting changes to Napa County on June 5, 2018 including every voter receiving a ballot by mail and new vote centers and drop box locations throughout the county for returning a vote by mail ballot. Our Election Division needs your help in making sure that these changes improve accessibility for all voters.

We are seeking your input on the October 30, 2017 version of the Napa County Election Administration Plan (EAP) which will guide our outreach efforts. The draft EAP is available at this link: <http://www.countyofnapa.org/ElectionDivision/> We are inviting voters with disabilities; voters from language minority communities and the groups that support them to our next Language Accessibility (LAAC) and Voter Accessibility (VAAC) Advisory Council meetings to receive input on the draft plan.
